Reservation control system operating method for vending machine, involves reserving requested item, when item is available in vending machine

Inventor: **BATES C L ...**

... **MAJD M ...**

... **SANTOSUOSO J M**

Abstract (Basic):

... The method involves reserving the requested item, when the requested item is available at the **vending** machine. A message indicating the acceptance of reservation request is transmitted to the requesting **terminal** for further pickup.

... items such as cigarettes, postcards, drinks, candy, frozen deserts, snacks, video tapes, toys dispensed by **vending** machines connected to network...

...The figure shows block diagram of vending machine network...
...Title Terms: VENDING ;

Service Merchandise Rolls Out Kiosks to Fuel E-Biz
(The \$2.2 bil Service Merchandise to install Web kiosks in over 220 stores)

TEXT:

...to reinvent the business with the help of e-commerce, Service Merchandise will install Web **kiosks** in over 220 stores over the next four months.

The \$2.2 billion retailer expects to emerge from bankruptcy protection by next year.

NCR Corp.'s Web **Kiosk** Solution is providing the **kiosks**, which offer instant entry to the Servicemerchandise.com Web site. At the site, consumers are a click away from product-line extensions unavailable in the store. They can also **reserve merchandise** at other stores or have it shipped to their homes.

Service Merchandise Chooses NCR Web Kiosk Solution

Kiosks to Serve Shoppers in More Than 220 Stores
NASHVILLE, Tenn. and ATLANTA, May 22 /PRNewswire...

... Internet and store selling environments, Service Merchandise Company, Inc. has selected NCR Corporation's Web **Kiosk** Solution to provide a key component in the strategic transformation of its business.

Up to three NCR Web **kiosks** are being installed at each of more than 220 Service Merchandise stores, which are located...
